

Kaipaki Kids Dance Club

Held at The Kaipaki centre

The concept of this contemporary dance program is to encourage children to explore and participate in dance movement and production. Students are encouraged to explore their own creative ideas/imagination in dance. Students will also learn to work with dance peers and group production. This program caters for children aged between 5 and 12 years of age (boys and girls).

Dance Class: Tuesday 3.30 till 4.50pm, during school terms only

Production Dates: midyear and end of year

Cost of Program \$120 per term per child
